

13th Hapkido European Championships 25th – 26th of May 2019

„Youth is our
future“

Invitation to the 13th IHC Hap Ki Do European Championships and IHC-Seminar

Dear Hap Ki Do-In,

We, the members of the Hap Ki Do-Section of TSV Victoria Clarholz, invite you, after 2003 and 2013, to come to Clarholz, located in lovely East Westphalia and to take part at the 13th Hap Ki Do European Championships.

We would be glad to create together with you a great Event with sporty, fair and challenging competitions.

As usual there are a lot of known challenges but also some are new and some are with a new mode.

As usual challenges there are:

- Self Defence
- Weapons form
- Single form
- Long stick
- Sword

New are:

- Fighting (NEW)
- Show (NEW)
- Long jump (NEW)
- Breaking contest (NEW MODE)

Additionally the International Hapkido Cooperation opened the most contest for youth, free according to the motto

„Youth is our future“

under which we want to organize the European Championships.

A sum up of all categories you find on the next page in „Categories“.

This year we want to combine the IHC European Championships with an IHC-Seminar.

This means that we plan to execute all contests on Saturday the 25th. The presentation ceremony takes place at the party in the evening in a casual atmosphere.

On Sunday the 26th of May the IHC-Seminar is planned with many instructors with international experience. They want to teach us a part of their knowledge.

In case not all contests can be finished (maybe cause of a mass of participants 😊) on Saturday, we use the next day to finish the contests.
